The Company's full corporate Governance Statement is included on pages 29 to 31 of this report.

5. Principal activities and objectives

The Company has, as its dominant purpose, to make provision for the direct relief of poverty, suffering, distress, misfortune, or helplessness of persons in Australia. In achieving its dominant purpose, the Company:

- Assists individuals (clients) and communities in poverty to acquire capital for enterprise and economic development so that they may earn regular income and eliminate dependence on the welfare system;
- Informs, assists and mentors clients and communities in the operations of their enterprises;
- Assists clients and communities to achieve an holistic transformation in their lives by becoming self-supporting, thereby increasing their self-worth and self-respect; and
- Strengthens the wellbeing of families and communities through the promotion of sustainable economic development and employment.

The Company provides relief to Australian communities, groups and individuals, which are poor, underprivileged, or marginalised in their standard of living, and in particular has a special focus on Indigenous Australians.

The Company has received financial and non-financial support from a number of organisations and private individuals during the year including the following:

Directors' Report

Annual Financial Report 30 June 2021 | Many Rivers Microfinance Limited

7. Events subsequent to reporting

As at the date of this report, the future impact of COVID-19 on the domestic economy remains reasonably uncertain. The Company continues to monitor the economy and engage with stakeholders to strengthen ongoing responses to the pandemic by clients, communities and the Company. This includes following COVID-19 Government rules and guidelines, adapting activities as required.

There has not arisen in the interval between the end of the financial year and the date of this report any other item, transaction or event of a material and unusual nature likely, in the opinion of the Directors of the Company, to affect significantly the operations of the Company, the results of those operations, or the state of affairs of the Company, in future financial years.

8. Likely developments

In the opinion of the Directors, there are no likely changes in the operations of the Company that will adversely affect the results of the Company in subsequent financial years.

9. Directors' interests

John Andrew Burn is engaged as Chief Executive Officer and Managing Director.

The Company utilises the services of Converge International Pty Ltd. Terence Winters is a Non-executive Director and Chairman of Converge International, however has no ownership interest.

The Company provides Community Economic Development services free of charge to 35 Indigenous Corporations, including New Mapoon Aboriginal Corporation. Michael Bond is the General Manager and a member of New Mapoon Aboriginal Corporation.

No other Director of the Company has received or become entitled to receive a benefit by reason of a contract made by the Company with the Director or with a firm of which they are a member, or with a company in which they have substantial financial interest.

10. Indemnification and insurance of officers and Directors

The Company is a company limited by guarantee. Each of the Directors is also a member of the Company and each of those Directors, as a member, is liable to the extent of their undertaking under the Constitution.

To the extent permitted by law, the Company indemnifies every person who is or has been a Director against any liability to any person incurred while acting in that capacity in good faith and against costs and expenses incurred by that person in that capacity in defending legal proceedings and ancillary matters.

During the year, the Company paid insurance premiums in respect of a directors' and officers' liability insurance contract. The contract insures for the benefits of the Directors of the Company against liabilities for costs and expenses incurred by them in defending any legal proceedings arising out of their conduct while acting in the capacity of Director other than conduct involving a wilful breach of duty. Premiums were paid for each of the Directors listed on pages 2 and 3 that served during the year.

The insurance is in the normal course of business and grants insurance for liabilities permitted to be indemnified by the Company under Section 199 of the *Corporations Act 2001*. In accordance with commercial practice, the insurance policy prohibits disclosure of the terms of the policy including the nature of the liability insured against and the amount of the premium.

11. Audit services

The cost of the audit of the Company is \$36,225, (2020: \$30,000).

Directors' Report

Annual Financial Report 30 June 2021 | Many Rivers Microfinance Limited

12. Performance measurements

The Company monitors its performance against the budget, which is approved by the Board of Directors prior to commencement of the financial year. The Board uses this information for future planning, tracking progress over time and determining whether agreed objectives or standards have been met.

13. Auditor's independence declaration

The Auditor's Independence Declaration is set out on page 8 and forms part of the Directors' Report for financial year ended 30 June 2021.

14. Registered office

The registered office and principal place of business is Level 2, 233 Castlereagh Street, Sydney, New South Wales.

15. Founding purpose

The Company exists to lift underprivileged Indigenous and other Australians out of poverty, and in fulfilling this mission, to be inspired by the person and work of Jesus Christ.

16. Notice of meeting

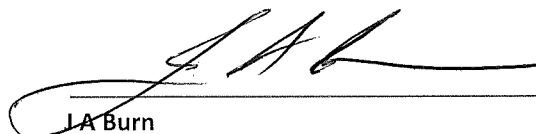

The Annual General Meeting of the Company will be held on 16 December 2021 at Level 2, 233 Castlereagh Street, Sydney, New South Wales where this report will be presented.

Notes to the Financial Statements

Annual Financial Report 30 June 2021 | Many Rivers Microfinance Limited

1. Reporting entity

Many Rivers Microfinance Limited (the Company) is a not-for-profit company and is limited by guarantee.

The Company is domiciled in Australia. The address of the Company's registered office is Level 2, 233 Castlereagh Street, Sydney, New South Wales 2000, Australia.

2. Basis of preparation

2.1 Statement of compliance

As a not-for-profit entity, the Company has elected to prepare Tier 2 general purpose financial statements in accordance with Australian Accounting Standards – Reduced Disclosure Requirements adopted by the Australian Accounting Standards Board and the *Australian Charities and Not-for-profits Commission Act 2012*.

The financial statements were authorised for issue by the Board of Directors on 21 October 2021.

2.2 Basis of measurement

The financial statements have been prepared on the historical cost and going concern basis.

2.3 Functional and presentation currency

The financial statements are presented in Australian dollars, which is the Company's functional currency.

2.4 Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

2.5 Impact of COVID-19

Management regularly monitor cash flow forecasts, including the anticipated potential ongoing impacts of COVID-19, to ensure adequate cash is available to meet operational requirements. Taking into consideration cash flow forecasts and available cash on hand, management have determined that there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable and consider the going concern basis of preparation to be appropriate for the financial statements.

3. Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, except as noted below:

3.1 Financial instruments

The Company classifies non-derivative financial assets into the amortised cost category.

The Company classifies non-derivative financial liabilities into the other financial liabilities category.

Notes to the Financial Statements

Annual Financial Report 30 June 2021 | Many Rivers Microfinance Limited

3. Significant accounting policies (Continued)

3.1 Financial instruments (Continued)

i. Non-derivative financial assets and financial liabilities – Recognition and derecognition

The Company initially recognises loans and receivables and debts security issued on the date when they are originated. All other financial assets and financial liabilities are initially recognised on the trade date.

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred, or it neither transfers nor retains substantially all the risks and rewards of ownership and does not retain control over the transferred asset. Any interest in such derecognised financial assets that is created or retained by the Company is recognised as a separate asset or liability.

The company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

Financial assets and liabilities are offset and the net amount presented in the *Statement of Financial Position* when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

ii. Non-derivative financial assets - Measurement

Loans and other receivables are initially measured at fair value plus transaction costs that are directly attributable to its acquisition or issue.

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

iii. Non-derivative financial liabilities - Measurement

Non-derivative financial liabilities are initially recognised at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, these financial liabilities are measured at amortised cost using the effective interest rate method.

iv. Financial guarantees

Financial guarantees are contracts that require the Company to make specified payments to reimburse Westpac for loans funded by Westpac that are more than 90 days in arrears.

Liabilities arising from financial guarantees are initially recognised at fair value and subsequently at the higher of the amount recognised initially and the present value of any expected payment to settle the liability.

Following the conclusion of the agreement with Westpac on 30 June 2021, all financial guarantees have been settled.

3.2 Employee benefits

i. Short-term benefits

Short-term employee benefits are expensed as the related service is provided.

A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Notes to the Financial Statements

Annual Financial Report 30 June 2021 | Many Rivers Microfinance Limited

3. Significant accounting policies (Continued)

3.2 Employee benefits (Continued)

ii. Other long-term employee benefits

The Company's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. That benefit is discounted to determine its present value. Re-measurements are recognised in profit or loss in the period in which they arise.

iii. Termination benefits

Termination benefits are expensed at the earlier of when the Company can no longer withdraw the offer of those benefits and when the Company recognises costs for a restructuring. If benefits are not expected to be settled wholly within 12 months of the end of the reporting period, then they are discounted.

3.3 Revenue recognition

i. Revenue from contracts with customers

To determine whether to recognise revenue, the Company follows a 5-step process:

- 1 Identifying the contract with a customer,
- 2 Identifying the performance obligations,
- 3 Determining the transaction price,
- 4 Allocating the transaction price to the performance obligations, and
- 5 Recognising revenue when/ as performance obligation (s) are satisfied.

Revenue is recognised either at a point in time or over time, when (or as) the Company satisfies performance obligations by transferring the promised goods or services to its customers.

All revenue is stated net of the goods and service tax (GST).

ii. Donations

Donations are recognised in the income statement as revenue in the year received.

Donations which are not enforceable and do not contain sufficiently specific performance obligations are recognised at their fair value when the asset is received. All donations received are in cash.

No amounts are included in the financial report for services donated by volunteers.

iii. Government grants

Recurrent grants

Recurrent grants are received from State and Federal Governments, Private Sector and various Not-for profit entities to deliver outcome based services on a range of programs. Revenue is recognised over time as performance obligations are met. Funding is usually received in advance with a contract liability recorded for unspent funds.

Non-Recurrent grants

The Company receives several non-recurrent and unconditional grants. Where an agreement is enforceable and contains sufficiently specific performance obligations, the revenue is recognised over time as the performance obligations to the grant agreement are fulfilled.

All unconditional government grants are recognised in profit or loss as other income when the grant becomes receivable.

Notes to the Financial Statements

Annual Financial Report 30 June 2021 | Many Rivers Microfinance Limited

3. Significant accounting policies (Continued)

3.4 Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. If significant parts of items of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit and loss.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is calculated to write off the cost of property, plant and equipment less their estimated residual values, using the straight line method over the estimated useful lives, and is recognised in profit or loss.

The estimated useful lives are as follows:

- Plant and equipment 3-5 years
- Right-of-use assets 2-6 years

Depreciation methods, useful lives and residual values are reviewed at each financial year end.

iv. Impairment

Non-financial assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated.

3.5 Leases

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a lessee

At commencement or on modification of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of its relative stand-alone prices. However, for the leases of property the Company has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the Company by the end of the lease term or the cost of the right-of-use asset reflects that the Company will exercise a purchase option. In that case the right-of-use asset will be depreciated over the useful life of the underlying asset, which

3.5 Leases (Continued)

is determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The Company determines its incremental borrowing rate by obtaining interest rates from various external financing sources and makes certain adjustments to reflect the terms of the lease and type of the asset leased.

Lease payments included in the measurement of the lease liability comprise the following:

- fixed payments, including in-substance fixed payments;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- amounts expected to be payable under a residual value guarantee; and
- the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, if the Company changes its assessment of whether it will exercise a purchase, extension or termination option or if there is a revised in-substance fixed lease payment.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'lease obligation' in the statement of financial position.

3.6 Finance income and expense

The Company's finance income and finance cost includes:

- interest income on loans;
- interest income on funds invested; and
- interest expense on leases.

Interest income or expenses are recognised using the effective interest method.

3.7 Income tax

The Company is appropriately endorsed (as required by the Australian Tax Office) from the date of incorporation, for income tax exemptions.

3.8 Provisions

Provisions are determined by discounting the expected future cash flows at a rate that reflects current market assessments of the time value of money and the risks specific to the liability.

3.9 New standards and interpretations not yet adopted

At the date of authorisation of the financial report, the following relevant Standard was issued but not yet effective:

- AASB 1060 *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* was issued in March 2020 and sets out a new separate disclosure Standard to be applied by all entities that are reporting under Tier 2 of the Differential Reporting Framework in AASB 1053 *Application of Tiers of Australian Accounting Standards*. The Standard replaces the Reduced Disclosure Requirements framework, setting out new principles to be used in determining Tier 2 disclosures necessary for meeting user needs. The Standard will be adopted in the Company's 30 June 2022 financial statements.

The impact on the financial statements of the Company on adoption of the above Standard is currently being assessed.

9. Loans and other receivables (continued)

Credit risk

Credit risk is the risk of financial loss to the Company if a client or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from clients.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each client. The Company's client base consists of business clients to which it provides microfinance.

The Company makes use of a simplified approach in accounting for impairment of loan and other receivables and records the loss allowance at an amount equal to the expected lifetime credit loss. In using this practical expedient, the Company uses historical experience, external indicators and forward-looking information to calculate the expected credit losses using provision matrices.

The Company does not normally require any collateral in respect of loan and other receivables.

Exposure to credit risk

Prior to February 2010, and following May 2020, clients were provided business loans by the Company. From February 2010 to May 2020, clients were provided access to unsecured business loans through the Company's strategic relationship with Westpac Banking Corporation (Westpac), which concluded on 30 June 2021. The agreement with Westpac provided that the Company guaranteed all loans provided to clients by Westpac. Where a loan provided by Westpac was more than 90 days in arrears, the Company became legally bound to pay this loan to Westpac on request and the legal ownership of the loan was assigned to the Company.

Loan receivables on the Company's Statement of Financial Position as at 30 June 2021, include client loans held by the Company and other loans initially provided by Westpac but subsequently transferred to the Company.

Impairment losses on trade receivables are assessed monthly based on client repayment history.

Since commencement, the Company has provided (itself or facilitated through Westpac) 2,387 loans totalling \$12,019,771. As at 30 June 2021, there were 358 loans outstanding with balances totalling \$1,112,192.

Impairment losses on trade receivables at 30 June 2021 totalled \$489,546. There were no financial guarantees in respect of loans held by Westpac at 30 June 2021, following the conclusion of the agreement with Westpac.

The Company's maximum exposure to credit risk at the reporting date was:

- \$1,209,960 (2020: \$1,036,319) being loans and other receivables provided by the Company before allowing for impairment losses on trade receivables of \$489,546; and
- Nil, relating to loans provided by Westpac (2020: \$528,268).

Impairment losses

The ageing of the Company's loan and other receivables at the reporting date was:

	Gross 2021	Impairment 2021	Gross 2020	Impairment 2020
<i>in AUD</i>				
Not past due	340,693	17,056	279,315	58,596

	1,209,960	489,546	1,036,319	529,541

The credit quality of trade and other receivables is assessed based on a credit policy established by the Company's Board.

Independent Auditor's Report

To the members of Many Rivers Microfinance Limited

Report on the audit of the Financial Report

Opinion

We have audited the **Financial Report** of Many Rivers Microfinance Limited (the Company).

In our opinion, the accompanying Financial Report of the Company is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission (ACNC) Act 2012*, including:

- giving a true and fair view of the Company's financial position as at 30 June 2021, and of its financial performance for the year ended on that date; and
- complying with *Australian Accounting Standards - Reduced Disclosure Requirements* and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

The **Financial Report** comprises:

- Statement of financial position as at 30 June 2021.
- Statement of profit or loss and other comprehensive income, Statement of changes in equity, and Statement of cash flows for the year then ended.
- Notes including a summary of significant accounting policies.
- Directors Declaration of the Company.

Basis for opinion

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Company in accordance with the auditor independence requirements of the *ACNC Act 2012* and the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the Financial Report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

Other Information

Other Information is financial and non-financial information in Many Rivers Microfinance Limited's annual reporting which is provided in addition to the Financial Report and the Auditor's Report. The Directors are responsible for the Other Information.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

Responsibilities of the Directors for the Financial Report

The Directors are responsible for:

- Preparing the Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards - Reduced Disclosure Requirements* and the ACNC.
- Preparing the Financial Report in accordance with Section 24(2) of the Charitable Fundraising (NSW) Act 1991 and Regulations and with Section 15(1) and 15(2) of the WA Charitable Collections Act 1946 and Regulations 1947 (the Acts and Regulations).
- Implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
- Assessing the Company's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Report.

As part of an audit in accordance with *Australian Auditing Standards*, we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- i. Identify and assess the risks of material misstatement of the Financial Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the Audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered Company's internal control.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- iv. Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the registered Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the Financial Report, including the disclosures, and whether the Financial Report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors of the registered Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

In addition, we have:

- i. Obtained an understanding of the internal control structure for fundraising appeal activities.
- ii. Examined on a test basis of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the Acts and Regulations.

We have not audited on a continuous basis the accounting records relied upon for reporting on fundraising appeal activities. These do not necessarily reflect accounting adjustments after the event or normal year-end financial adjustments required for the preparation of Financial Report such as accruals, prepayments, provisioning and valuations.

Opinion pursuant to the Charitable Fundraising Act (NSW) 1991

In our opinion:

- i. the Financial Report gives a true and fair view of the Company's financial result of fundraising appeal activities for the financial year ended 30 June 2021;
- ii. the Financial Report has been properly drawn up, and the associated records have been properly kept for the period from 1 July 2020 to 30 June 2021, in accordance with the *Charitable Fundraising Act (NSW) 1991* and Regulations;
- iii. money received as a result of fundraising appeal activities conducted during the period from 1 July 2020 to 30 June 2021 has been properly accounted for and applied in accordance with the *Charitable Fundraising Act (NSW) 1991* and Regulations; and
- iv. there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

Opinion pursuant to the Charitable Collections Act (WA) 1946 and Charitable Collections Regulations (WA) 1947

In our opinion, the Company has complied, in all material respects, with the requirements of the *Charitable Collections Act (WA) 1946* and *Charitable Collections Regulations (WA) 1947* for the year ended 30 June 2021.

Corporate Governance Statement

Annual Financial Report 30 June 2021 | Many Rivers Microfinance Limited

Corporate governance

The Board endorses the Corporate Governance Principles and Recommendations established by the Australian Securities Exchange (ASX) Corporate Governance Council. The Company is not a listed company and has no obligation to adopt these principles but is nevertheless committed to good corporate governance.

Foundations for management and oversight

The Board is the guardian of the founding purpose for which the Company was established and is accountable to members for the pursuit of that purpose and the performance of the Company.

The role of the Board is established by the Board Governance Charter, which can be viewed at manyrivers.org.au. It includes:

- Providing strategic guidance for the Company and effective oversight of management;
- Establishing the functions reserved to the Board and those delegated to the Chief Executive Officer;
- Appointing the Chief Executive Officer, approving succession plans, monitoring and evaluating the performance of the Chief Executive Officer and determining the goals and objectives for the setting of senior management remuneration policies and practices;
- Monitoring financial results and the effectiveness of risk management systems and overseeing policies governing Company operations including those for social, environmental sustainability as well as ethics and transparency; and
- Evaluating the Board's effectiveness and aspiring to excellence in corporate governance.

The Board oversees and monitors management's performance by:

- Selecting, appointing, guiding and monitoring the performance of the Chief Executive Officer;
- Formulating the Company's strategic plan together with the Chief Executive Officer and senior management;
- Approving the Company's annual budget and financial statements;
- Meeting at least six times during the year to:
 - Monitor progress in achieving the strategic plan and performance against operating and capital budgets;
 - Receive detailed financial and other reports and input from management to verify the Company's financial performance, viability, solvency and short term sustainability; and
 - Assigning responsibility to Board sub-committees to oversee particular aspects of the Company's operations and administration.
- Monitoring internal control, health and safety, risk management, compliance and quality control frameworks and management information systems as well as reviewing delegations, policies and procedures;
- Reporting to stakeholders on a regular basis, including financial reports;
- Overseeing Company compliance with relevant legislation and regulations; and
- Advocating for the Company whenever and wherever appropriate.

Corporate Governance Statement

Annual Financial Report 30 June 2021 | Many Rivers Microfinance Limited

Corporate governance (continued)

Foundations for management and oversight (continued)

The Board delegates responsibility for the Company's day-to-day operations and administration to the Chief Executive Officer and executive management. A schedule of delegated authority sets out financial contractual thresholds for appropriate staff levels throughout the company. No delegate is permitted to authorise an expenditure that affects them personally.

An induction process for senior executives provides an understanding of the financial position, strategies, operations, health and safety and risk-management practices as well as the respective rights, duties, responsibilities and roles of the Board and senior executives. Annual performance evaluation of senior executives has taken place during the year.

Board structure

The majority of Board members including the Chair are Independent Directors. The Company Constitution requires no less than 4 and no more than 12 Directors. There were 5 Directors at 30 June 2021:

- Four Independent, Non-Executive Directors; and
- The Chief Executive Officer, who is the Managing Director.

The Board Chairman's role is articulated in the Board Governance Charter. The role includes providing leadership, facilitating effective contribution of all Directors and promoting constructive and respectful relationships between Directors and between the Board and Management.

One third of Directors must retire each Annual General Meeting with those longest in office selected. They are eligible for re-election. No employee of the Company, including the Chief Executive Officer, can be the Chair of the Company Board of Directors.

The Board's knowledge of the Company is maintained by visits to operations, management presentation and through access to continuing education programs.

The Board sets performance criteria for the Chief Executive Officer and annually assesses the outcome.

The skills, experience, and expertise of Directors and Executives are listed at manyrivers.org.au. The Board Governance Charter enables the Directors to seek independent professional advice at the expense of the Company if needed.

Timely and balanced disclosure

The Company is not subject to ASX Listing Rule disclosure requirements but adopts these principles to report to members to ensure that announcements:

- Are made in a timely manner and are factual;
- Do not omit material information whether positive or negative; and
- Are expressed in a clear and objective manner.

Corporate Governance Statement

Corporate governance (continued)

Respecting rights of members

The Company does not have shareholders but does have members. Open, regular, and timely communication to members is made using electronic and other means. This includes providing the Annual Report to members prior to the Annual General Meeting. The external auditor attends the meeting and is available to answer member questions about the conduct of the audit, the status of internal control and the preparation and content of the Auditor's report.

The Company has many stakeholders, including clients and their families, donors, staff, the broader community, suppliers and government agencies that provide funds and regulate operations. The Company adopts a consultative approach in dealing with stakeholders. The Company is involved in not-for-profit forums, conducts research, receives feedback from forums and regular surveys, ensures government at all levels are aware of concerns and achievements and remains abreast of industry developments.

Recognising and managing risk

The Board is responsible for oversight of material business risk. Oversight includes ensuring the establishment, implementation and review of the Company's risk-management system designed to protect reputation and manage risks that may preclude goals and objectives from being achieved or opportunities to be missed. Management has established and implemented a risk-management system that regularly assesses monitors and manages material operational, financial reporting and compliance risks.

The Company is dedicated to social responsibility in the very nature of its activities and is conscious of its environmental impact. Environmental risks are included in risk assessments. The Company is not subject to any significant environmental legislation.

A risk management policy and framework has been implemented and is embedded into existing management processes and procedures. There are targets, objectives, milestones, and performance criteria that are assessed regularly. Key risks include securing ongoing funding for our work; credibility and reputational damage potential; retaining high-quality skilled staff; client, staff and contractor safety; fraud or theft exposures; environmental damage to assets; and capacity to respond to change and funding obligations.

Executive management reports to the Board and gives assurance that there is a sound system of risk management and internal control and that the system is operating effectively in all material respects in relation to financial reporting risks.

Remunerating fairly and responsibly

During the year Directors served as Board members of the Company on a voluntary basis and received no Director's fees. The Chief Executive Officer of the Company is remunerated for his work in leading the management team but not for his duties as Director. Reimbursement is made to Directors for reasonable expenses directly related to Board activities such as travel, accommodation, and meals. The Board sets remuneration strategies for the Chief Executive Officer and senior executives. Member approval at a General Meeting on 19 August 2021 provided for a change to the Company Constitution to allow for Non-Executive Director remuneration for their services as a Director. This received approval from the Minister for Better Regulation and Innovation on 9 September 2021. A Board resolution approved Non-Executive Director remuneration for services as a Director with effect from 1 October 2021.
